For local businesses

Sponsor A Classroom Farm

Boston Youth Farm Project

A sponsor puts a working farm in a classroom that couldn't otherwise have one: the rack, the first round of seed, the lessons, and setup, for up to 84 students. The rack is reused for years.

What Your Neighborhood Gets

- Four weeks of students planting, measuring and harvesting
- A Harvest Night where families taste what students grew
- A one-page brief showing what changed for students

What You Get

- A sponsor decal for your window
- Thanks at Harvest Night and in the school newsletter
- A genuinely good story to tell your customers
- A tax-deductible receipt (501(c)(3), EIN 92-2503299)
